Deli Containers

Pactiv Evergreen...Your one stop shop for all Deli Container needs

The market for deli salads and sides is growing and Pactiv Evergreen has the right deli and sides containers for every possible application and situation. From the grocery store to restaurants, Pactiv Evergreen has the biggest depth and breadth of selection with every size, shape, color and material of deli containers available at your fingertips.

Polypropylene (PP) EarthChoice® Deli2Go™ Side Containers

The flexibility and value of these new polypropylene EarthChoice® Deli2Go™ side containers are truly fantastic! They can be used at the deli counter for salads or for side dishes at a grocery store hot bar or restaurant. Available in sizes 5 oz. – 32 oz. with a common lid, these versatile leak-resistant containers are microwaveable, stackable, printable* and top rack dishwasher safe/end-user reusable. Offered in black and clear bases with a clear vented lid.

**EarthChoice®
Deli2Go™**

RPET Rounds & 4" Square Deli Containers

When clarity and merchandising is top of mind, choose Pactiv Evergreen's crystal clear RPET deli food containers available in either square or round profiles sized from 8oz. to 32 oz. Each shape has a common leak-resistant lid that works for all sizes. Square containers have additional lid options including Tamper Evident.

**RPET Rounds &

Containers**

Paper Deli Containers - Polyethylene (PE) and Polylactic Acid (PLA) Lined

Pactiv Evergreen's Paper Deli Containers are a versatile option for customers seeking a paper-based container for both hot and cold applications. Whether it's a ladle of chili straight from the pot, a few scoops of tuna salad, or ice cream straight from the freezer, these containers are up to the challenge. Available in both combo and bulk packs, pair these bases with their corresponding lids for a leak-resistant bond.

**Paper Deli
Containers**

Heavy Gauge Polypropylene (PP) Newspring® DELItainer®

A workhorse line of containers designed to hold everything from soup to nuts, DELItainer® microwaveable containers are available in a variety of sizes ranging from 8 to 32 ounces. Like all Newspring containers, these are microwaveable, leak-resistant, stackable, end-user reusable for the consumer and refrigerator-friendly

**Newspring®
DELItainer®**

*Only sizes 12-32 oz. are printable.

RPET Deli Containers

RPET Rounds &
4" Square Deli
Containers

Rounds & 4" Squares

When clarity and merchandising is top of mind, choose Pactiv Evergreen's crystal clear RPET deli food containers available in either square or round profiles sized from 8oz. to 32 oz. Each shape has a common leak-resistant lid that works for all sizes. Square containers have additional lid options including Tamper Evident.

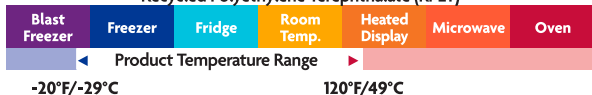

Features

Benefits

Made from clear RPET	Superior visibility for optimal merchandising of the product inside the container
One common lid for each shape	Reduces sku complexity and increases back of the house handling efficiencies for the operator
Stackable Lids & Bases	Provides secure nesting and stacking for various merchandising settings and helps secure product in place during transport
Secure Leak-Resistant Seal	Maintains food quality and helps prevent messy leaks and spills
Sturdy, high-performance container	Durable material is resistant to impact damage and excellent freezing properties (20°F - 120°F)
Optional Tamper Evident lid available for square containers that fits all the sizes	Keeps contents of package secure and is obvious if the container was tampered with in any way

Recycled Polyethylene Terephthalate (RPET)

Paper Deli Containers

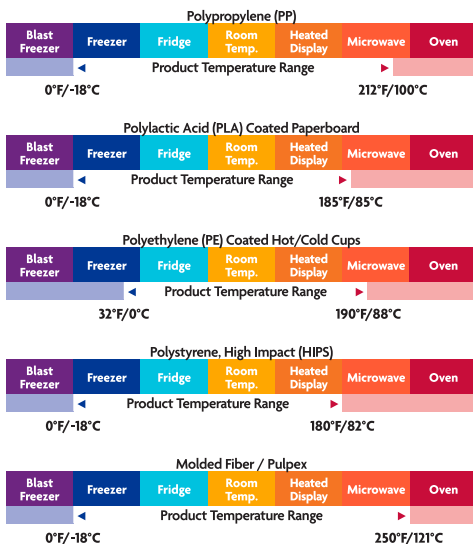

Pactiv Evergreen PE & EarthChoice® PLA Lined

Pactiv Evergreen's Paper Deli Containers are a versatile option for customers seeking a paper-based container for both hot and cold applications. Whether it's a ladle of chili straight from the pot, a few scoops of tuna salad, or ice cream straight from the freezer, these containers are up to the challenge. Available in both combo and bulk packs, pair these bases with their corresponding lids for a leak-resistant bond.

Features	Benefits	PE Lined Paper Deli Containers	PLA Lined Paper Deli Containers
Inside lining of the container is made from polyethylene	Acts as a moisture barrier preventing liquid from leaking or wicking	X	
Ideal for either hot or cold applications	Versatility of the container allows for use in multiple areas of the store which reduce skus carried by the operator	X	X
PLA lined containers meet ASTM D6868 composability standards and will compost in commercial facilities only, which may not exist in all areas. Not suitable for backyard composting	Diverts product from going to a landfill and instead can be composted in a commercial composting facility		X
Sizes 8, 12, 16 oz. available in either bulk or combo pack	Offers flexibility to the customer based on what is best for their operations	X	
One common lid fits container sizes 8/12/16 oz.	Reduces sku complexity and increases back of the house handling efficiencies for the operator	X	X
Made from SBS (solid bleached sulfate) paperboard	Paper is a renewable resource	X	X

Paper Deli Containers

Pactiv Evergreen PE Coated Paper Deli Containers are made from poly-coated paperboard for durability and moisture resistance.

These guidelines are supplied to assist you in determining the proper use of Newspring / Pactiv Evergreen products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
