When you're looking for a reliable paper towel for your business – in a kitchen, office or restroom – Scott® Essential C Fold Paper Towels are a great choice. Even though they're economical, they are packed with innovations that help keep your commercial and business restrooms efficient. The Cfold design is made especially for smart stacking and unfolding, and the built-in Absorbency Pockets (to soak up a lot of water fast) mean that one of the C Fold towels can typically get a drying job done. The unfolded towel measures 10.125 inches wide x 13.15 inches long, and is compatible with most universal multi-fold and C Fold dispensers (sold separately). Each pack comes with 200, single-ply recycled white C Fold towels. You'll want to buy them in bulk so you won't risk running out!
