Product Overview & Guides

Scott® Essential provides reliable balance of efficiency, performance and value. You have better things to think about than changing your business' toilet paper rolls! Scott® Essential 1000 2-ply Jumbo Toilet Paper Roll is a reliable and practical choice for your restroom. One roll of this high-capacity tissue is 1,000 feet long and equals nearly five standard rolls. This large toilet paper roll is designed to fit in dispensers made to accommodate two rolls, so the system is ideal for high-traffic areas, reducing run-outs and refills. In addition, it is made with 100% recycled fiber (RF), it meets EPA standards for minimum post-consumer waste content and is FSC® and ECOLOGO® certified. Scott® Essential Jumbo Roll 2-ply Bathroom Tissue offers great value and is the ideal balance of strength, absorbency and economy. With Scott® Essential Brand products, you get the quality and performance you can count on – and still stay within your budget.

12 rolls per case, 1,000 feet per roll, 12,000 feet per case; small case size for convenient commercial toilet paper storage (made with 100% recycled fiber or RF)

Non-perforated, 2-ply, unscented white jumbo roll toilet paper is efficient for businesses

One large roll equals 1,000 feet (often called Scott® Essential 1000) or nearly five standard rolls to reduce run-outs and refills

Big rolls are compatible with most universal JRT tissue dispensers, for use in industrial areas, schools, or offices

Scott's JRT toilet paper is FSC® and ECOLOGO® certified and meets or exceeds EPA guidelines for post-consumer waste content (at least 25%). Sewer and Septic Safe
